About Us

With the right kind of fire equipment and products, many fire accidents and hazards can be successfully controlled and curbed. Understanding this, we, Rapidrop India work hard as a fully certified British manufacturer, exporter and trader of a wide variety of Sprinkler Heads, Fire Protection Equipment & Fire Fighting Equipment. It is our goal to provide clients with nothing short of complete tailored product solutions that are one of a kind and comply with set safety standards. Thus, over the years, we have sustained an excellent reputation for quality performance throughout the domestic and global markets and have built upon our philosophy as a market leading fire equipment provider and supplier by concentrating all efforts on catering to our worldwide clients with a client friendly and one stop shop approach. Aside supply of leading edge Fire Fighting Equipments like Flexible Sprinkler Hose, Sprinkler Heads, Gate Valves, Expansion Bellows, Wet Alarm Valve, Water Curtain Nozzle, etc., it is also our strong focus on customer service that helps us suffice needs of patrons to perfection; consequently attaining their enduring trust today.

Each piece of equipment offered by Rapidrop India comes with ISO quality and is specifically fabricated to deal with different classes of fire in multiple settings and environments. From our Indian headquarters in Navi Mumbai, Maharashtra, our company as a licensed manufacturer & exporter is offering sprinkler heads and fire protection equipment, including Hose Couplings, Pressure Reducing Valves, Flow Meter, Wet Alarm Valve, Wet Alarm Valve System, HVW Nozzles, MVW Nozzles, etc., of commendable quality. Today, we stand tall among other market players for its unrivaled product quality and innovation.
